Good morning OPS Team,

We received information to indicate a group of 11 Tractor Trailers that departed Ottawa yesterday have an intention to return today.

The 'convoy' of 11 were engaged by OPP PLT and HSD members in West Region when they stopped to overnight in Cambridge. The following was learned:

- [REDACTED] advised the group were tired of sitting around in Ottawa and wanted to demonstrate to their 'brothers' that they could travel unimpeded. [REDACTED] is the owner operator, who normally makes trips from Vancouver to Toronto twice a month. He advised his truck required some warranty work which included a lube job. When they departed Ottawa they drove westbound at 65km/h. The group intend to stay at the truck plaza until noon where they will travel back to Ottawa and join the rally again. [REDACTED] indicated the group have no intentions of traveling to a border and would call PLT (today) when they are ready to leave.

Thank you,

Catherine
